## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE CONSERVANCY ASSOICATION CENTRE FOR HERITAGE LIMITED

(incorporated in Hong Kong with liability limited by guarantee)

We have audited the financial statements of The Conservancy Association Centre for Heritage Limited ("the Association") set on pages 4 to 12/which comprise statement of financial position as at 31st December 2013 and statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Executive committee members' responsibilities for the financial statements

The executive committee members are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards for Private Entities issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA") and Hong Kong Companies Ordinance, and for such internal control as the executive committee members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit and to report our opinion solely to you, as a body, in accordance with section 141 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee members, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### 1. General

The Association is a private company domiciled and incorporated in Hong Kong with liability limited by guarantee. The address of the registered office and principal place of business of the Association is G/F. and 1/F., Annex Block, Western District Community Centre, 36A Western Street, Hong Kong. The principal activities of the Association are established for the objective of serving as an education and information centre on local heritage issues to the public during the year.

#### 2. Significant accounting policies

- (a) Basis of accounting
  These financial statements have been prepared in accordance with the Hong Kong Financial
  Reporting Standard for Private Entities issued by the Hong Kong Institute of Certified Public
  Accountants and the requirements of the Hong Kong Companies Ordinance. They have been
  prepared under the historical cost convention.
- (b) Currency
  These financial statements have been prepared in Hong Kong dollars.
- (c) Property, plant and equipment Property, plant and equipment are stated at cost less accumulated depreciation and any accumulated impairment losses.

The depreciable amount of an item of property, plant and equipment is allocated on a systematic basis over their estimated useful lives on a straight-line basis.

(d) Impairment of assets

An assessment is made at the end of each reporting period to determine whether there is any indication of impairment or reversal of previous impairment, including items of office equipment, intangible assets and long-term investments. In the event that an asset's carrying amount exceeds its recoverable amount, the carrying amount is reduced to recoverable amount and an impairment loss is recognised in the profit or loss. A previously recognised loss is reversed only if there has been a change in the estimates used to determine the recoverable amount, however not to an amount higher than the carrying amount that would have been determined (net of amortisation or depreciation), had no impairment losses been recognised for the asset in prior years.

(e) Account receivables

Account receivables are stated at estimated realisable value after each debt has been considered individually. Where the payment of a debt becomes doubtful a provision is made and charged to the profit or loss.

(f) Cash and cash equivalents

Cash comprises cash on hand and at bank and demand deposits with bank. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of statement of cash flows, bank overdrafts which are repayable on demand form an integral part of the Association's cash management are included as a component of cash and cash equivalents.

#### 2. Significant accounting policies (continued)

(g) Account payables

Account payables are initially measured at fair value and, after initial recognition, at amortised cost, except for short-term payables with no stated interest rate and the effect of discounting being immaterial that are measured at their original invoice amount.

(h) Provisions and contingent liabilities

Provisions are recognised for liabilities of uncertain timing or amount when Association has a legal or constructive obligation arising as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

#### (i) Related parties

- (a) A person or a close member of that person's family is related to the Association if that person:
  - (i) has control or joint control over the Association;
  - (ii) has significant influence over the Association; or
  - (iii) is a member of the key management personnel of the Association or of a parent of the Association.
- (b) An entity is related the Association if any of the following conditions applies:
  - (i) The entity and the Association are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
  - (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
  - (iii) Both entities are joint ventures of the same third party.
  - (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.
  - (v) The entity is a post-employment benefit plan for the benefit of employees of either the Association or an entity related to the Association.
  - (vi) The entity is controlled or jointly controlled by a person identified in (a).
  - (vii) A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).
- (j) Revenue recognition

Revenue comprises income from fund-raising and projects are accounted for on accrual basis.

#### 3. Critical accounting estimates and judgement

The Association's management makes assumptions, estimates and judgements in the process of applying the Association's accounting policies that affect the assets, liabilities, income and expenses in the financial statements prepared in accordance with HKFRS for Private Entities. The assumptions, estimates and judgements are based on historical experience and other factors that are believed to be reasonable under the circumstances. While the management reviews their judgements, estimates and assumptions continuously, the actual results will seldom equal to the estimates.

- (a) Key assumption and other key sources of estimation uncertainty In the opinion of executive committee members, there is no key sources of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the financial year.
- (b) Critical judgements in applying the Association's accounting policies In the opinion of executive committee members, there is no critical judgements in applying the Association's accounting policies.

#### 4. Turnover

Income comprises income from projects are accounted for on accrual basis.
